

Matamata Country Lodge COVID-19

Update 8 October 2020

Today Auckland joins the rest of New Zealand at COVID-19 Alert Level 1.

Therefore, from today, Matamata Country Lodge (MCL) will soften our safety rules further, so that Auckland visitors no longer need to wear a mask.

A reminder of our safety rules are as follows:

1. Visiting hours will be from 1100am onwards, 7 days a week.
2. Visitors will need to sign in as they enter and sign out as they leave the building (a QR Code is also available).

Therefore visits will need to enter and exit the buildings by either the:

- Reception entrance (Elizabeth Street); or
- Kowhai (ALC) building main entrance

3. We also ask that visitors:
 - continue to use the hand sanitiser provided
 - stay away if unwell. Note: the flu season has started
4. Our residents will be able to leave the facility eg visits, shopping.
5. Day care and Entertainers will be returning. Jannette will contact the people concerned to recommence the service.

Thank you again for working with us through the various Alert Levels.

Regards

Darrell Shaw

Facility Manager
